Early Head Start Home Visitor January 17, 2017 Salary Range: \$30,915- \$38,644

The Onslow County Partnership for Children (OCPC) is seeking one (1), full-time Home Visitor for the Early Head Start (EHS) program. Funding for EHS is provided by the Office of Head Start and Administration for Children and Families. The Onslow County Partnership for Children is a private non-profit agency that advocates and provides services for the healthy development of children, by building the strengths and capacities of families, care-giving professionals, and the communities in which they reside.

The major purpose of this position is to provide parenting education to parents of young children in private residences on a weekly basis. This position is responsible for recruitment of participants, planning and preparing activities appropriate for the developmental stage of participating children, facilitating and supporting learning in individual and group settings, identifying needs of families and connecting families with appropriate resources. This position supports parents as the best and first teachers of young children, and is proficient at working collaboratively with parents from diverse backgrounds.

At minimum, an Associate degree or higher in early childhood or human services field is required. Experience working with families is preferred, and previous experience with a Head Start or Early Head Start program is a plus. Additional desirable skills include program recruitment experience, database experience, and knowledge of community resources. In-county travel is required daily, and reliable transportation must be available for daily work. Mileage reimbursement is provided.

Interested applicants must complete an Onslow County Partnership for Children application. An Application can be obtained via the Onslow County Partnership for Children website at www.onslowkids.org. Please drop off or mail applications to 900 Dennis Road, Jacksonville, NC 28546. Faxed or e-mailed copies will not be accepted. Position will be open until filled.
